† In the form of *glongdàn catvadaṇḍi*. The parallel prose is the following.

Mạ

Bobby paired  
With Judy,  
Then came Pepsy  
A bastard mongrel;  
All three died  
Of rabies,  
I was in New Zealand.  
  
Seeing Scampy  
Running around  
Consoled me;  
What with Hiccup too;  
Fricka and Wotan  
The Afghan hounds;  
Light, Dark, Brown,  
Call them all,  
They know you.
